

WCP Weekend Clean Up List

Parents, please complete the entire weekend cleanup list. Initial all tasks that you have completed, and return the completed list to the Assistant House Leader's box in the office.

Please use the key in the lockbox to gain access to the school. The combination is <intentionally omitted>. Please return the key to the lockbox.

Bleach solution must be made fresh as it stays fresh for only 24 hours.
Instructions for making bleach solution are on the wall next to the sink

1. Soak and clean funnels and lids on paints. If you put them in the dishwasher, **do not** put lids or funnels on bottom rack (they may melt). Put lids back on correct containers.
2. Wipe all doorknobs and windowsills with bleach solution.
3. Wipe all counters, under microwave, bookshelves, loft rails, and toy shelves with bleach solution.
4. Sweep all linoleum floors and mop with bleach solution. First, pull out small green art supply cabinet and sweep behind.
5. Clean bathroom sinks and toilets with bleach solution. Clean mirrors. Wipe down safety rails. Empty trash. As needed, use the pumice stone, near the bleach solution in the cabinet, to scrub the ring in the toilet.
6. Vacuum all carpet areas, including under and on top of the loft. Move furniture where necessary. Vacuum the cubbies with the nozzle attachment.
 - a. Empty the vacuum canister. This helps to keep the vacuum working properly.
7. Sweep the front and back porch and stairs. Sweep the two outdoor playhouses.
8. Clean and organize the outdoor toy shed. Clean sand from the shelves and bins. Sweep out.
9. Spot clean the interior and exterior of refrigerator with bleach solution. Throw out any old snack items. Dump out any remaining juice from classes. Wash containers.
10. Clean sink and wipe down counter and wall behind sink.
11. Clean all tables with hot, soapy water, and then wipe down with bleach solution.
12. Turn off inside lights and lock all three doors. Leave front porch lights on.
13. Take garbage to dumpsters and recycle to recycle container beside McLane Elementary.
14. Close the WCP property gate.

Thank you!
